

Certificate

SPF Animal Facility Outfitting and Engineering

This is to certify that the SPF Animal Facility, operated by

**Institute of Bioscience
Universiti Putra Malaysia**

complies with the good outfitting and engineering practices for animal facilities as proposed in the Guide for the Care and Use of Laboratory Animals: Seventh Edition (1996). The test methods and detailed results are presented in the Certification report dated 2 December 2011.

The final certification inspection was performed on 2 December 2011.
The certificate is valid until 1 December 2012.
